Uniforms: *The Purpose of a Uniform:*

We wear the uniform because it is a means of identifying ourselves openly with the principles to which we are committed-character development, citizenship training, and physical and mental fitness.

The uniform is not intended to hide our individuality. But it is a way we give each other strength and support. It is a bond that ties us together in spite of our differences. It is a way of making visible our commitment to a belief in God, loyalty to country, and to helping other people.

We wear the uniform to openly identify ourselves with positive values where everyone can see us. We stand together, not alone, in encouraging others to live by those same principles.
